in which the original American Decremes beauting Caristmas story of "The Cricket of the Hearth," entitled

M. J. & CLARKE,

Will sustain his extraordina, and the College of the Cricket of Tilly St. CLARKE,

"whose cowlide gambois and little errors of judgment," as pictured by Dickens, "were the centinual means of bringing the oaby's head into contact with deal boards, dressers, stair rails, bod posts, and other foreign substances."

The part of Tilly was played in England by both Mr. Right and Mr. Buckstone in the adoptations originally produced. But no personation that has yet been presented has been demond either by Mr. Bourcleault or the bost critics equal to Mr. Clarke s, nor has any illustration of "The Cricket of the Hearth" a procached this version of Bourcleault's, which is, perhaps, the most effective play of modern times.

It will be presented with new scenery, fairy transformations, exquisite music, and the following cast:—

TILLY SLOW BOY, "an overgrown charity girl, who takes care of the bady."
